- 1) **Cutting** : Sharpened cutter is preferable.
- 2) **Sewing needle** : Use as fine as possible.
Sewing needles no. 9-11 are recommendable.
- 3) **Sewing thread** : Polyester sewing threads no. 60-80 are recommendable.
- 4) **Ironing** : Almost unnecessary, wrinkle-free after washing.
Where necessary, cover that portion with a piece of cloth,
do it gently dry iron at 150-160 ° C.
- 5) **Handling** : Easy handling for its durable antistatic property.
- 6) **Shrinkage** : No shrinkage.
